OU-1 AR Documents Search for 2015 Action Memo Reference.docx

Here is a list of documents in the AR for the Action Memo reference. I searched for documents with the following key terms:

Fugitive Dust

Migration

Surface Fire

Surface Contamination

Surface Runoff

This list of documents does not include RI, FS, ROD, Proposed Plans, and 104(e) Response Letters. No documents were found to include Surface Fire and there are duplicate documents in some of the search terms. I will be working with the lit room today, to make sure the NIOSH letter is added to the AR.
